Fellowship and Reaching Out

"They devoted themselves to the apostles' teaching and to fellowship, to the breaking of bread and to prayer." Acts 2:42

The word "fellowship" comes from the Greek word *koinonia*. It can be translated as partnership or communion. The early Christians were being taught the Word of God and they wanted to share it with others. When we find something good, we want others to know about it. Our church gives us opportunities to fellowship with other Christians, but to also share our story with others that may not know Christ.

This past Sunday afternoon, at our Spring Celebration Picnic, we had an opportunity to fellowship with our church family. It was also a time to meet new friends and hopefully have opportunities to invite them to other activities at our church. Our church is not our secret that we keep to ourselves. It is something good that we should want to share with others so they can participate also.

Our picnic was a huge success, and it took a lot of people working together to make it happen. We had over 150 of our church members present Sunday and 69 guests present. This is a reminder to us that there are people around us that are not involved in church, and we want them to feel welcome in our ministries at Eastern Hills.

Thank you to everyone that had a part in the activities Sunday. It takes all of us working together to make these events happen. It also takes all of us to reach out to our friends and neighbors and inviting them to participate with us.

I hope that all of our Sunday school classes have fellowship opportunities for your class. Use these activities as an opportunity to include others that may not have a church family. Our goal is to grow our classes.

Outreach is how we grow. Sharon Myers is leading our outreach team. Pray for her as she builds a team that will encourage outreach in our church.

I hope to see you Sunday as we worship and study God's Word together.
