#### 11 REASONS I LOVE BEING AN ALABAMA BAPTIST

As I type, Dan and I are at the Southern Baptist Convention in New Orleans. In fact, we just finished eating shrimp and oysters from Felix's. There are numerous reasons I am thankful that we are a part of the Southern Baptist Convention in general and our Alabama Baptist Family in particular. A few of those reasons are:

- We are family. We love each other. Even when we don't agree on every issue, we have more in common than we have differences.
- **2. We are people of the Bible.** While some denominations reject the inerrant, infallible Word, we have remained committed to standing on this Holy Writ.
- **3. We give.** Alabama Baptist, once again, leads the nation in giving through our cooperative mission endeavors. Although we are not the largest state, in my opinion, we have the largest heart!
- **4. We go.** Not only are we one of the most mission-minded conventions in our nation regarding our giving, but we also are towards the top in mission sending and going. I praise God that we are a part of the largest mission-sending agency in the world (known as the IMB).
- **5. We plant.** The North American Mission Board and our Alabama Baptist State Board of Missions are planting churches in our state and nation.
- 6. We equip. We are proud of our Alabama Baptist schools (Samford and the University of Mobile) for equipping this generation to be light in our world. Moreover, we support campus ministers who touch thousands of college students in universities all over Alabama. Additionally, through our cooperative program, we provide excellent and affordable theological training for all students called into the ministry.
- **7. We care.** As we cooperate together, we provide care for orphans, help in disaster relief, provide Biblical counseling for those who are troubled (and I could go on and on).
- **8. We resource.** As Baptist, every church has people called to walk alongside them to help with church revitalization, evangelism, leadership training, worship resources, mission help through our WMU and Global Missions, etc.
- **9. We are diverse.** Very rapidly, we have become the most ethnically diverse denomination in America.
- **10. We are local church driven.** Each local church is autonomous. We cooperate and work together but do not have a hierarchy dictating what we do.
- **11. We experience.** We at EHBC get to experience the resurrected joy of Christ each week. I look forward to worshiping with you!

I thank God that He has blessed me with the joy of serving you dear people for such a time as this.
