EASTERN HILLS BAPTIST CHURCH

HAPPENINGS AT EHBC

Community Garden: Several years back our youth started a neighborhood garden at the Pines. Our youth, along with several gardeners from our church planted the garden and it was very productive for several years. When the pandemic stopped everything, the garden was idle. Earlier this year one of our neighbors, who is not a member of our church, contacted me about the garden. She said that when the garden was active her family was a recipient of the vegetables, and it was at a time when they needed the food. She asked if she and her teenagers could continue the community garden. It would still be open to the neighborhood, but they would plant and oversee the garden. Her request was welcomed and now the garden is back in production. It is great to see how a ministry that was started in the minds of our teenagers has now grown and is a welcomed ministry to our neighborhood.

Food Distribution Week: This weekend is our monthly food distribution. This ministry was started during the pandemic and has been well received by our community and by our church. We distribute 5 large bags of food to 60 families on the third Saturday of each month. A team of volunteers gather each week, usually on Tuesday morning, and make a trip to the Food Bank to get our weekly load of food. This food is stored in our pantry, cooler and freezer. Our church has been very supportive of this ministry, and it is a way that we can be the hands and ministry of Christ by providing food for those in need. The funding of this ministry is done totally with designated gifts to our benevolence ministry. Our distribution begins on Friday at 1:00 p.m. with our set-up crew. We set up the gym with the tables and the bags and get the food ready to be distributed. This takes about one hour on Friday. On Saturday, we begin at 9:00 a.m. and begin bagging the food. Usually, we have 2 bags of frozen food and 3 bags of canned food from the pantry. Each month at our distribution the total amount of food that is distributed is over 6,000 lbs. This requires a lot of organization and about 30 volunteers. Those who receive the food must qualify financially to receive the food. We are grateful to be able to partner with the Montgomery area Food Bank to make this possible. Thank you for your support. If you have not volunteered in this ministry, we invite you to come to the gym this Saturday at 9:00 a.m. and be a part of this great ministry.

Love Loud Montgomery: We are currently looking for a few volunteers to help with the garden at Love Loud Montgomery. Eastern Hills started the gardens several years ago and it has been very fruitful and has supplied the ministry with vegetables to distribute through their food ministry. We plant the garden every year and we harvest several times a week and deliver the produce to them on Monday and Wednesday each week. Luke Green has been very committed to this garden and it has become more than one can handle. If you would like to help in this area, please let me know and we can give you more information.

Thank You! - It was refreshing to spend the last week with my family on vacation. Thank you for the opportunity to be away. It is good to be away but then it is good to be home. We appreciate you EHBC family and we love doing ministry with you. We hope to see you Sunday as we worship together.
