EXPERIENCING GOD BIBLE STUDY

I am thrilled to announce that Eastern Hills Baptist Church will embark on an incredible journey together as we begin **Experiencing God** on **Wednesday, August 16**. I am convinced this study will deepen our relationship with God and transform our church as we prepare for the pastor God has for us. **Experiencing God** is a remarkable resource that guides believers into life-changing encounters with the living God. Through this study, we will experience God's presence and gain a better understanding of His will and witness His work in our lives, both individually and as a church body. Here are a few compelling reasons why you should participate in this study:

1. Encounter God Personally: The *Experiencing God* study encourages us to develop an intimate, personal relationship with God. By participating, we will learn to recognize God's voice, understand His character, and experience His transforming power in our daily lives.

2. Discover God's Will: Understanding God's will is essential to our Christian faith. This study will teach us to "hear God" speak to us through His Word and align our lives with His purposes. We will recognize how God is at work around us and join Him in this redemptive plan for our community and the world.

3. Deepen Fellowship and Unity: Engaging *Experiencing God* as a church creates a shared experience of spiritual growth and transformation, fostering deeper fellowship and unity among us.

4. Ignite a Passion for Outreach: Recognizing God's presence and understanding His will naturally ignite an outward-focused heart. This study will kindle a deep desire to impact the lives of those around us, both within our congregation and in our broader community.

5. Cultivate a Transformative Culture: *Experiencing God* has the potential to revolutionize our church culture. By aligning our lives with God's purposes, we will witness a renewed sense of mission, increased prayerfulness, and a passionate pursuit of God's glory in everything we do. By participating in *Experiencing God*, we embark on an adventure that can revolutionize both our individual lives and the life of our church.

Let us encourage everyone to join this study to deepen our faith, experience God's transformative power, and boldly and confidently live out His purposes. I am filled with anticipation for what God will do through us as we study and pray together.

Yours in Experiencing God,
Brother Rob Jackson
