Students from kindergarten to college are back in school now, and Sunday afternoon was a great time to celebrate with a Back-to-School Splash! It was a fun time to enjoy fellowship with church friends and get to know our Forest Hills neighbors. We had 32 visitors from our neighborhood! A family I met at the National Neighborhood Night Out held at our church earlier this month said their children would not let them forget about this event, they were so excited about coming! It was so much fun to see all the children's excitement about going down the big slide again and again. At the end of the night, I had one sweet girl ask if we could get this slide again! I think that means the children had a good time. Despite the heat, we were in the shade by the start of the "Splash" and enjoyed some yummy grilled hotdogs, hamburgers, and then Nancy's Italian Ice to cool us off!

The start of a new school year is an exciting time. Parents are excited for a different reason than children and may even be saying, "Yahoo, they are back in school!" This is a time for new beginnings. If you didn't apply yourself or give your very best effort last year, this is a time to set better study habits, study more and do your best to make better grades. I remember when I was a little girl being excited to go shopping for new school clothes and supplies. It was always so much fun to put new crayons, pencils, glue and paste in my new school box. Everything was new and clean so I tried to keep it that way as long as I could.

For adults, we may not be going back to school ourselves, but we can also use this time to reflect on ourselves and relationships with others. Are we where we need to be, or do we need to make some changes? As I reflect, there are things I need to do. One is to pray more for my church and the people that make up Eastern Hills Baptist Church, my church family. Two is to invite more people to visit my church. I'm blessed to work with Christians at both of my jobs, and that already have a church home. Now I just need to start more conversations with people I see as I am out and about and invite them to church. The families that visited Sunday afternoon need a loving and supportive church that will teach them about Jesus and walk alongside them as they parent. They need to know that Jesus loves them. We have a great treasure here at EHBC, and we need to tell others about our church and invite them to join us in what God is doing here. I love my church, and I know you do too! "Come, let us tell of the Lord's greatness; let us exalt his name together" (Psalm 34:3).
