Have you ever had a moment when you accomplished something that you never thought you would? It's interesting to think about all of the struggles and hardships that come with a major accomplishment. I recently had the pleasure of completing the Alabama Dental Hygiene Program, which is to date, one of the toughest things I have ever done. There were many tears shed, late nights studying, and times that I thought it would be easier to just quit while I was ahead. In the time that I was in school, my family welcomed my nephew into the world, I had a health scare with my heart that required me having to wear a heart monitor for a month, we had a massive turnover at my job including my school sponsor which could have resulted in my being removed from the program, a cousin with a horrific cancer diagnoses, and so many other things on top of working two jobs and trying (sometimes failing) to maintain a social life. When I would depend on my own strength to push on, break-downs and disappointments would ensue. There are a ton of hardships in this life, some are expected, but many are not. I had a friend in high school who had a motto that I could hear in the back of my mind, "Trust God and keep trying." It was a motto that had gotten her through her Mom's cancer, her house burning down, and so many other things.

I was reminded of a very well-known passage, Philippians 4:12-13.

I know what it is to be in need, and I know what it is to have plenty. I have learned the secret of being content in any and every situation, whether well fed or hungry, whether living in plenty or in want. I can do all this through Him who gives me strength.

Our own strength will always bring failure and disappointment, it's when we are abiding in His strength that victory will come. I have had a lot of practice learning to live in His strength, but through-and-through, I like to be in control. I am sure this was one of many times in this lifetime I will have to be reminded to lean on Him.

In Christ's Love,

Taylor Noah

Hydrangea Outreach

How beautiful the sanctuary looked Easter Sunday as we celebrated the resurrection of our Lord! That beauty was shared by the donation of 11 of the hydrangeas to the Outreach Ministry and their delivery by volunteers to EHBC prospects and guests, some of whom were met during our 7-week Prayer Walks. Each hydrangea had attached a personalized note that fit what we know of the recipient and invited them to worship and to participate with us in upcoming events.

Thank you for reaching out and being part of how the Lord is working in the hearts of those around us.
