When they walked down the steps, the guide quietly opened the doors only to discover several hundred people praying for the morning service and those who were already gathering, praying for those who had never set foot in the church building. To Spurgeon, the furnace room prayer gathering was the powerhouse of the church and the driving force of revival.

If our church is going to experience a true revitalization and revival, we must become a people who passionately and persistently seek God in prayer.

What do faithful church members pray for? The list is not short, but here are a few ideas:

1. Pray specifically for each and every church service, Bible study, event, and ministry, that God would spark revival and use them for His glory.
2. Pray for church leadership, especially your pastor.
3. Pray for the needs of fellow church members and healing and unity among the Body as a whole.
4. Pray for the lost, wandering, unchurched, and all of those far from God.
5. Pray for our neighborhood, city, nation, and world.
6. Pray for those serving as missionaries.
7. Pray for God to give you personal opportunities to make a spiritual impact.

Spurgeon once said "We cannot all argue, but we can all pray; we cannot all be leaders, but we can all be pleaders; we cannot all be mighty in rhetoric, but we can all be prevalent in prayer. I would sooner see you eloquent with God than with man."

Let us commit to being a people of powerful prayer.

EPHESIANS 6:18

Over the last few months, we have been painting a portrait of a faithful church member. So far we have noticed that a faithful church member consistently gathers for corporate worship with the local Body of Christ, regularly connects in fellowship and Bible study with fellow believers, serves the church, with the church, and as the church, and builds the Kingdom of God through sharing their faith and inviting their neighbors to church. This week, we will see the role of prayer in the life of the church and the faithful church member.

The story is told of a group of Bible college students who visited The Metropolitan Tabernacle in London to hear the great Charles Spurgeon preach. When they arrived, well before the start of the service, they met a kind gentleman who offered to give them a tour. They would only later find out that their guide was Spurgeon himself. Their tour guide enthusiastically offered to show the young men the church's basement furnace room. Not wanting to appear rude, the students reluctantly agreed.
